ISLAMORADA SAILFISH TOURNAMENT

The Islamorada Sailfish Tournament is the primary fundraiser for the Islamorada Charter Boat Association. The association promotes fishing in the Florida Keys and works with many government agencies to protect our resources for future generations.

The association is a 501-c-3 organization. By working together, we can keep a great fishery here in the Florida Keys, bringing fisherman to Islamorada throughout the entire year. We hope you will join us in support of the Islamorada Sailfish Tournament by participating in our sponsorship program. The following sponsorship opportunities are available.
